

Freestyle

BizSYNC™

BizSync™ is an integrated software solution that connects Multichannel Order Manager (M.O.M.) directly to Magento, BigCommerce, Volusion, 3D Cart, and select marketplaces. BizSync provides a turnkey integration without additional software or programming.

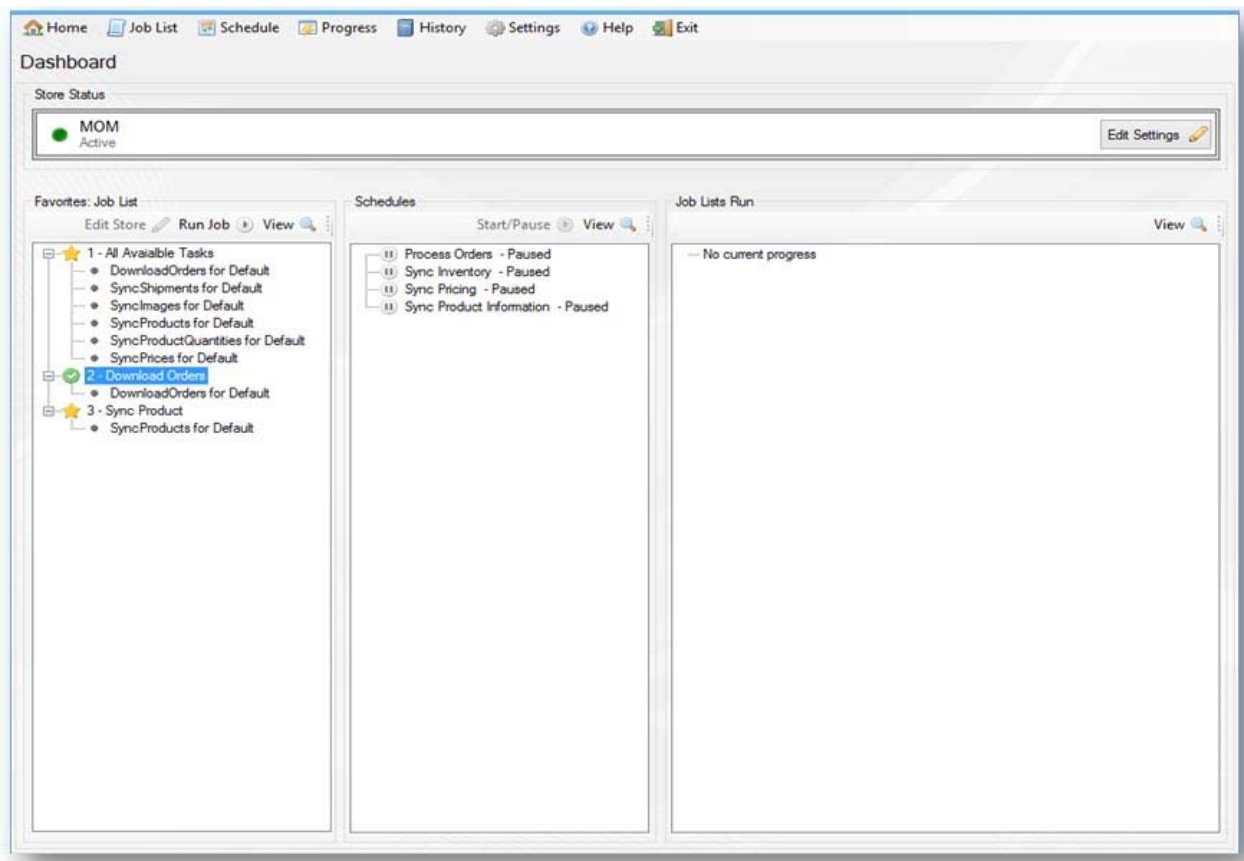

Product Features and Benefits

- Updated, easy to use UI
- Marketplace Support
- Customizable Dashboard
- Create products in M.O.M., and upload them to your shopping cart
- Send order status updates, including tracking numbers, to your shopping cart
- Automate price, quantity, and product data updates including order importing
- Schedule tasks to run automatically
- Custom field mapping
- Performance Improvements
- Multiple domain and company support (Enterprise)
