

## Now helping you get the Nexus in Freestyle M.O.M.

With the ruling on South Dakota v. Wayfair being finalized, we at Freestyle wanted to make sure we give you the best options in helping you maintain compliance for each state's economic Nexus.

### **In M.O.M. get fully capable reporting showing:**

- ▶ Reporting based on the states you are tracking Nexus in
- ▶ How close you are for hitting the Nexus in those selected states

### **We will now be allowing you to directly import the file into M.O.M. giving you the ability to:**

- ▶ Pick and choose what tax rates you must collect
- ▶ Monthly updates
- ▶ File will be updated during our monthly product update

### **For those who use Freestyle SiteLINK, it will:**

- ▶ Publish the tax rate from M.O.M. to SiteLINK

### **For those who use other means for their eCommerce store:**

- ▶ Tax rates will need to be updated on the site

**NOTE:** *You must be on an active support contract to continue receiving the tax updates.*
