

Freestyle M.O.M.® and shippo

Joining forces with Freestyle Solutions Multichannel Order Manager (M.O.M.) is Shippo, giving you the ability to ship all your shipments out of M.O.M., and in M.O.M. version 10, access to Smart Shipping to get your orders to your customers quickly and effectively, while saving you money.

With the Shippo service now integrated with M.O.M. you'll be able to:

- Print labels directly out of M.O.M., using the USPS, FedEx, or UPS services
- Workflow Enhancements to accommodate different workflows to fit **your business**
- Show order number, box number and purchase order number (if necessary) on shipping label – gives your shippers the ability to know what order the label belongs to
- Get **discounted rates** out of the box on USPS Priority Mail
- Pay Shippo for your USPS invoice, while still paying FedEx and UPS for their respective invoices
- Support of **UPS Saturday Delivery**
- Support of **USPS Flat Rate Boxes**
- Multi-Parcel support for UPS
- **Smart Shipping!** Get your shipments out quick and efficiently while saving you money! Only in **M.O.M. 10**:
 - **Best Way:** The ability to ship out your orders by finding the most cost-effective shipping method to ship the order to your customer.
 - **Fast Way:** The ability to ship out your orders by finding the shipping method that will get your order to your customer the fastest.
 - **Guaranteed-By:** Guarantee orders in x-amount of days
- Rate shop by **carrier**
- View tracking within M.O.M.
- Call Tags (Return Labels) Easily generated out of system
- Support of C.O.D.
- There are **no fees** to use the Shippo service, the label processing fee is covered as part of the integration with M.O.M.
- Shipping services will match based on the version of M.O.M. you are currently on
- Exception reporting to find out why certain labels failed to print

To find out **more information** about the **Shippo** integration with **M.O.M.** and how it can save you money call us today at 800-858-3666 today!
